Notice to Contractors

Re: CONSTRUCTION STANDARDS HANDBOOK for WORK WITHIN the PUBLIC RIGHT-of-WAY

Effective on July 20th, 2015 and adopted by Ordinance No. 15-05, the new Construction Standards Handbook shall be used for all work within the public right-of-way. The new standards are available on the City Web Site under the forms section.

In addition, effective on July 20th, 2015, a new Right-of-Way Permit application was adopted. The new permit application is also available on the City Web Site under the forms section.
