

# NOTICE TO CONTRACTORS

---

Date: 10/2/2015

Subject: Foundation Permits

**This notice is intended to clarify the parameters of work to be done on foundation permits.**

- Piling supported – Foundation permits are limited to the following scope of work; pilings, grade beams and stem walls
- Non piling supported – Foundation permits are limited to the following scope of work; footers and stem walls.

Under no circumstances shall any M.E.P.s or slab work be done under a foundation permit. Any work done beyond the parameters outlined above shall have a stop work order issued on the project and the house permit shall be subject to 4 times the permit fee (CMI A.C.C. 105.2.3 & CMI fee Ord. 108.4).

**Please note: as of January 1<sup>st</sup> 2016 the City of Marco Island will no longer be accepting foundation permits for single family residences.**

Building Official  
Joe Berko

A handwritten signature in blue ink, appearing to read 'J. Berko', located below the printed name.
