

M.I.P.D Citizen's Academy

With the overwhelming success of our prior Citizen's Academies, the Marco Island Police Department is accepting its final applications for the Marco Island Police Department's Citizen's Academy Class #3.

The goal of the Citizen's Academy is to teach the public basic police operations and techniques to bridge the information gap. Together we can form extended and expanded lines of communications between the community and its Police Department. Many policies and procedures related to the criminal justice system are foreign to citizens and it is expected that through education and discussion many of the questions generated by the public regarding law enforcement will be answered.

While the Citizen's Academy concept is not new, we know that this is a successful strategy to develop new partnerships within the community, as well as preserving and enhancing formerly established and valued relationships. We know that the community expects great things of the Marco Island Police Department and the Department believes that it has designed an intense, informative and exciting program. *Chief Al Schettino*

Application Link: <http://www.cityofmarcoisland.com/index.aspx?page=174>

You may request applications via phone: (239) 389-5050, and we will mail, email or fax you the documents. Please return the application and waiver by mail or in person to: MIPD (Citizen Academy), 51 Bald Eagle Dr., Marco Island, FL 34145

For questions regarding the Citizen's Academy, please call me at (239) 389-5050!
