WHEREAS, the City, pursuant to the provisions of the Florida Constitution, Chapter 166, Part II, Florida Statutes, Chapter 159, Florida Statutes, the Charter of the City and any other applicable provisions of law (all of the foregoing, collectively, the "Act"), and Resolution No. 03-55 adopted by the City Council of the City on September 29, 2003, as amended and supplemented, and as particularly amended by Resolution No. 04-06 adopted by the City Council of the City on March 1, 2004 and Resolution No. 05-71 adopted by the City Council of the City on October 17, 2005 (collectively, the "Senior Lien Bond Resolution"), and a resolution adopted by the City Council of the City on August 4, 2008 (the "Note Resolution"), is authorized to incur Subordinate Debt (as such term is defined in the Senior Lien Bond Resolution) to finance the costs of certain wastewater collection improvements and wastewater treatment capacity improvements within certain assessment areas inside the City (collectively, the "Project"); and

WHEREAS, on May 22, 2007, the City issued its Subordinate Wastewater Improvement Revenue Note, Series 2007 in an aggregate principal amount of not to exceed \$20,000,000 (the "2007 Subordinate Wastewater Note") as Subordinate Debt to finance the costs of certain wastewater collection improvements and wastewater treatment capacity improvements within certain assessment areas inside the City; and

WHEREAS, on the date hereof, the City issued its Subordinate Water Improvement Revenue Note, Series 2008 in an aggregate principal amount of not to exceed \$4,000,000 (the "2008 Subordinate Water Note") as Subordinate Debt to finance the costs of certain improvements to the City's water utility system; and

WHEREAS, pursuant to Section 4.06 of the loan agreements related to the 2007 Subordinate Wastewater Note and the 2008 Subordinate Water Note, the City may incur indebtedness with a parity lien on Designated Revenues (as defined herein), with the prior written consent of the Bank as the sole holder of the 2007 Subordinate Wastewater Note and the 2008 Subordinate Water Note; and

NOW, THEREFORE, the parties hereto agree as follows:

ARTICLE I

DEFINITION OF TERMS

Section 1.01. Definitions. Capitalized terms used in this Agreement and not otherwise defined shall have the respective meanings ascribed thereto in the Senior Lien Bond Resolution or as follows:

"Act" shall have the meaning assigned to that term in the recitals hereof.

"Advance" shall have the meaning assigned thereto pursuant to Section 3.02(e) hereof.

"Agreement" shall mean this Loan Agreement and all modifications, alterations, amendments and supplements hereto made in accordance with the provisions hereof.

"Bank" shall mean Bank of America, N.A., and its successors.

"Bond Counsel" shall mean, initially, Bryant Miller Olive P.A., Tampa, Florida, or any other attorney at law or firm of attorneys of nationally recognized standing in matters pertaining to the federal tax exemption of interest on obligations issued by states and political subdivisions.

"Business Day" shall mean any day other than a Saturday, a Sunday, or a day on which the payment office of the Bank is lawfully closed.

"Code" shall mean the Internal Revenue Code of 1986, as amended from time to time, and the applicable rules and regulations promulgated thereunder.

"Designated Revenues" shall mean Net Revenues of the System, after making all required payments pursuant to the Senior Lien Bond Resolution.

"Determination of Taxability" shall mean the circumstance that shall be deemed to have occurred if interest paid or payable on the Note becomes includable for federal income tax purposes in the gross income of the Noteholder as a consequence of any act, omission or event whatsoever, and regardless of whether the same was within or beyond the control of the City. A Determination of Taxability will be deemed to have occurred upon (a) the receipt by the City or a Noteholder of an original or a copy of an Internal Revenue Service Technical Advice Memorandum or Statutory Notice of Deficiency which holds that any interest payable on the Note is includable in the gross income of the Noteholder; (b) the issuance of any public or private ruling of the Internal Revenue Service that any interest payable on the Note is includable in the gross income of a Noteholder; or (c) receipt by the City or the Noteholder of an

opinion of Bond Counsel to the effect that any interest on the Note has become includable in the gross income of the Noteholder for federal income tax purposes. For all purposes of this definition, a Determination of Taxability will be deemed to occur on the date as of which the interest on the Note is deemed includable in the gross income of the Noteholder. A Determination of Taxability shall not occur in the event such interest is taken into account in determining adjusted current earnings for the purpose of the alternative minimum tax imposed on corporations.

In the case of (a) and (b) above, no Determination of Taxability shall be deemed to occur unless the City has been given timely written notice that such a determination has been made by the Internal Revenue Service and an opportunity to participate in and seek, at its own expense, a final administrative determination or determination by a court of competent jurisdiction (from which no further right of appeal exists) as to the existence of such event of taxability; provided that the City, at its own expense, delivers to the Bank an opinion of Bond Counsel acceptable to the Bank to the effect that such appeal or action for judicial or administrative review is not without merit and there is a reasonable possibility that the judgment, order, ruling or decision from which such appeal or action for judicial or administrative review is taken will be reversed, vacated or otherwise set aside.

"Event of Default" shall mean an Event of Default as defined in Section 5.01 of this Agreement.

"Final Maturity Date" shall mean the date on which all principal and all unpaid interest accrued on the Note shall be due and payable in full, which date shall be, if not sooner due to acceleration or prepayment, August 5, 2011.

"Loan" shall collectively refer to an amount equal to the outstanding and unpaid draws, together with unpaid interest which has accrued, made under the non-revolving line of credit in the aggregate principal amount of \$18,500,000 granted by the Bank of the City pursuant to and in accordance with this Agreement.

"Maximum Corporate Tax Rate" shall mean (a) on the date of issuance of the Note, 35% and (b) thereafter, the maximum marginal rate of income tax imposed on corporations under Section 11 of the Code.

"Note Resolution" shall mean a resolution related to the Note which was adopted by the City Council of the City on August 4, 2008 which, among other things, authorized and confirmed the borrowing of the Loan and execution and delivery of this Agreement and the issuance of the Note and such supplementary resolutions of the City as are satisfactory to the Bank.

"Noteholder" shall mean the Bank as the holder of the Note and any subsequent registered holder of the Note.

"Parity Notes" shall mean, collectively, the 2007 Subordinate Wastewater Note and the 2008 Subordinate Water Note.

"Pledged Revenues" shall have the meaning ascribed thereto in the Senior Lien Bond Resolution.

"Prime Rate" shall mean a rate of interest equal to the announced prime commercial lending rate per annum of the Bank. The Prime Rate is a reference rate for the information and use of the Bank in establishing the actual rate to be charged to the City. The Prime Rate is purely discretionary and is not necessarily the lowest or best rate charged any customer. The Prime Rate shall be adjusted from time to time without notice or demand as of the effective date of any announced change thereof.

"Project" shall mean certain wastewater collection improvements and wastewater treatment capacity improvements within certain assessment areas inside the City.

"Registrar" shall mean the City Clerk of the City, or any deputy or assistant City Clerk.

"Senior Lien Bond Resolution" shall mean Resolution No. 03-55 adopted by the City Council of the City on September 29, 2003, as amended and supplemented, and as particularly amended by Resolution No. 04-06 adopted by the City Council of the City on March 1, 2004 and Resolution No. 05-71 adopted by the City Council of the City on October 17, 2005.

(d) Prepayments. The Note shall be subject to prepayment by the City prior to maturity, subject to the terms of Section 4.07 herein.

Section 3.03. Adjustments to Note Rate. The Note Rate shall be subject to adjustment by the Bank as hereinafter described. If any amendments are enacted to existing law, the effect of which would adversely affect the Bank's after-tax yield, or upon the occurrence of a Determination of Taxability, then the Bank shall have the right to adjust the Note Rate in order to maintain the same after-tax yield as if such events had not occurred. Any adjustments in this Section 3.03 shall survive payment of the Note until such time as the federal statute of limitations under which the interest on the Note could be declared taxable under the Code shall have expired. For so long as the Note is owned by the Bank, the Note Rate set forth above assumes a Maximum Corporate Tax Rate of 35%. In the event of a change in the Maximum Corporate Tax Rate, so long as the Note is owned by the Bank, or its successors and assigns, the Bank shall have the right to adjust such Note Rate in order to maintain the same after-tax yield.

Section 3.04. Compliance with Section 215.84, Florida Statutes. The City represents, warrants, and covenants that the Note Rate, as currently calculated in accordance with Section 215.84, Florida Statutes, is in compliance with Section 215.84, Florida Statutes.

Section 3.05. Conditions Precedent to Initial Advance. Prior to or simultaneously with the delivery of the Note issued hereunder by the City in connection with the initial Advance, there shall be filed with the Bank the following, each in form and substance reasonably acceptable to the Bank:

(a) an opinion of counsel to the City to the effect that (i) this Agreement and the Note have been duly authorized, executed and delivered by the City and each constitutes a valid, binding and enforceable agreement of the City in accordance with their respective terms, except to the extent that the enforceability of the rights and remedies set forth herein may be limited by bankruptcy, insolvency, financial emergency or other laws affecting creditors' rights generally or by usual equity principles; (ii) the City's execution, delivery and performance of this Agreement and execution and issuance of the Note are not subject to any authorization,

consent, approval or review of any governmental body, public officer or regulatory authority not heretofore obtained or effected, and no taxes are payable in connection therewith; (iii) the execution, issuance and delivery of the Note has been duly and validly authorized by the City, and the Note constitutes a valid and binding special obligation of the City enforceable in accordance with its terms; (iv) the City (A) is a municipal corporation duly organized and validly existing under the laws of the State of Florida, and (B) has power and authority to execute and deliver this Agreement, to execute and deliver the Note, and to consummate the transactions contemplated by such instruments; (v) the execution, delivery and performance of the Note and this Agreement, and compliance with the terms thereof and hereof, under the circumstances contemplated hereby, do not and will not in any material respect conflict with, or constitute on the part of the City a breach or default under, any indenture, mortgage, deed of trust, agreement or other instrument to which the City or to which its properties are subject or conflict with, violate or result in a breach of any existing law, administrative rule or regulation, judgment, court order or consent decree to which the City or its properties are subject; (vi) to the best of such counsel's knowledge, there is no claim, action, suit, proceeding, inquiry, investigation, litigation or other proceeding, at law or in equity, pending or threatened in any court or other tribunal, state or federal (W) restraining or enjoining, or seeking to restrain or enjoin, the issuance, sale, execution or delivery of the Note, (X) in any way questioning or affecting the validity or enforceability of any provision of this Agreement or the Note, (Y) in any way questioning or affecting the validity of any of the proceedings or authority for the authorization, sale, execution or delivery of the Note, or of any provision made or authorized for the payment thereof, or (Z) questioning or affecting the organization or existence of the City or the right of any of its officers to their respective offices; (vii) the City has the legal power to make the capital improvements that comprise the Project, to grant a lien on the Designated Revenues in the manner and to the extent as described herein; and (viii) all conditions contained in the ordinances and resolutions of the City precedent to the issuance of the Note have been complied with; and

(b) an opinion of Bond Counsel (who may rely on opinion of Counsel to the City), stating that such counsel are of the opinion that: (i) this Loan Agreement constitutes a valid and binding obligation of the City enforceable upon the City in accordance with its terms; (ii) the Note is a valid and binding special obligation of the City enforceable in accordance with its terms, payable solely from the sources provided therefore in this Loan Agreement; and (iii) assuming compliance by the City with certain covenants relating to requirements contained in the Code (a) interest on the Note is excluded from gross income for purposes of federal income taxation, and (b) interest on the Note is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on such corporations; and

(c) a copy of a completed and executed Form 8038-G to be filed with the Internal Revenue Service by the City; and

(d) such other documents as the Bank reasonably may request (including, without limitation, appropriate executed Florida Division of Bond Finance forms).

When the documents and items mentioned in clauses (a) through (d), inclusive, of this Section shall have been filed with the Bank, and when the Note shall have been executed as required by this Agreement, the City shall deliver the Note to or upon the order of the Bank, but only against the City's receipt of the initial proceeds of the Advance.

Section 3.06. Registration of Transfer; Assignment of Rights of Bank. The City shall keep at the office of the City Clerk in the City's records the registration of the Note and the registration of transfers of the Note as provided in this Agreement. Subject to the restriction set forth in the fourth paragraph of this Section, the transfer of the Note may be registered only upon the books kept for the registration of the Note and registration of transfer thereof upon surrender thereof to the City together with an assignment duly executed by the Bank or its attorney or legal representative in the form of the assignment set forth on the form of the Note attached as Exhibit A to this Agreement; provided, however, that the Note may be transferred only in whole and not in part. In the case of any such registration of transfer, the City shall execute and deliver in exchange for the applicable Note a new Note registered in the name of the transferee. In all cases in which the Note shall be transferred hereunder, the City shall execute and deliver at the earliest practicable time a new Note in accordance with the provisions of this Agreement. The City may make a charge for every such registration of transfer of the Note sufficient to reimburse it for any tax or other governmental charges required to be paid with respect to such registration of transfer, but no other charge shall be made for registering the transfer hereinabove granted. The Note shall be issued in fully registered form and shall be payable in any coin or currency of the United States.

The registration of transfer of the Note on the registration books of the City shall be deemed to affect a transfer of the rights and obligations of the Bank under this Agreement to the transferee. Thereafter, such transferee shall be deemed to be the Bank under this Agreement and shall be bound by all provisions of this Agreement that are binding upon the Bank. The City and the transferor shall execute and record such instruments and take such other actions as the City and such transferee may reasonably request in order to confirm that such transferee has succeeded to the capacity of Bank under this Agreement and the Note.

In the event any Note is mutilated, lost, stolen, or destroyed, the City shall execute a new Note of like date and denomination as that mutilated, lost, stolen or destroyed, provided that, in the case of any mutilated Note, such mutilated Note shall first be surrendered to the City, and in the case of any lost, stolen, or destroyed Note, there first shall be furnished to the City evidence of such loss, theft or destruction together with an indemnity satisfactory to it.

Notwithstanding anything herein to the contrary, no transfer shall be permitted absent the City's (and the Bank's) receipt of a letter in form and substance similar to the one delivered

by the Bank pursuant to Section 218.385, Florida Statutes from such proposed transferee, and a certificate in form and substance similar to the one attached to the Note Resolution as Exhibit C certifying, among other things, that such holder is an "accredited investor" as such term is defined in Regulation D to the Securities Act of 1933, as amended.

Nothing in this Agreement or in the Note shall be construed to prohibit the Bank from granting participation or participations in the Note to any other bank or banks affiliated with Bank of America, N.A. or any subsidiary thereof. No such bank participant shall, however, be a registered holder of the Note or any portion thereof.

Section 3.07. Ownership of the Note. The person in whose name the Note is registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of or on account of the Note shall be made only to the registered owner thereof or such owner's legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon the Note, and interest thereon, to the extent of the sum or sums so paid.

Section 3.08. Use of Proceeds of Note Permitted Under Applicable Law. The City represents warrants and covenants that the proceeds of the Note will be used solely for the Project and that such use is permitted by applicable law.

Section 3.09. Authentication. Only if the Note shall have endorsed thereon a certificate of authentication substantially in the form set forth in Exhibit A, duly executed by the manual signature of the Registrar and authenticating agent, shall it be entitled to any benefit or security under this Loan Agreement. The Note shall not be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly adopted by the Registrar and such certificate of the Registrar upon any such Note shall be conclusive evidence that such Note has been duly authenticated and delivered under this Loan Agreement.

ARTICLE IV

COVENANTS OF THE CITY

Section 4.01. Performance of Covenants. The City covenants that it will perform faithfully at all times its covenants, undertakings and agreements contained in this Agreement and the Note or in any proceedings of the City relating to the Loan.

Section 4.02. Payment of Note.

(a) The City covenants that it will promptly pay the principal of and interest on the Note at the place, on the dates and in the manner provided herein and in the Note, in accordance with the terms thereof. The Note shall be payable solely from the Designated Revenues in accordance with the terms hereof, on parity with the lien thereof granted to the holders of the Parity Notes and junior and subordinate in all respects to "Bonds" and "Parity Contract Obligations" under the Senior Lien Bond Resolution as to lien on and source of security for payment from Pledged Revenues pursuant to the Senior Lien Bond Resolution.

(b) The Note will be a special obligation of the City secured solely by the Designated Revenues, and is payable from the Designated Revenues, in the manner and to the extent described in Section 4.02(a) hereof. The Note will not constitute a general debt, liability or obligation of the City or the State of Florida or any political subdivision thereof within the meaning of any constitutional or statutory provision. Neither the faith and credit nor the taxing power of the City or of the State of Florida or any political subdivision thereof is pledged to the payment of the principal of or interest on the Note and the Noteholder shall never have the right to compel any exercise of any ad valorem taxing power of the City or of the State of Florida or any political subdivision thereof, directly or indirectly to enforce such payment. The Note shall not constitute a lien upon any property of the City except upon the Designated Revenues in the manner and to the extent described herein.

Section 4.03. Tax Covenant. The City covenants to the purchasers of the Note provided for in this Agreement that the City will not make any use of the proceeds of the Note at any time during the respective terms of such Note which, if such use had been reasonably expected on the date the Note was issued, would have caused such Note to be an "arbitrage bond" within the meaning of the Code. The City will comply with the requirements of the Code and any valid and applicable rules and regulations promulgated thereunder necessary to ensure the exclusion of interest on the Note from the gross income of the holders thereof for purposes of federal income taxation.

Section 4.04. Budget and Other Financial Information. The City shall:

(a) Within two hundred seventy (270) days following the end of each Fiscal Year of the City, provide the Noteholder with a copy of the City's audited financial statements for the preceding Fiscal Year; and

(b) Upon request, provide the Noteholder with a copy of its resolution adopting its annual budget, a completed budget book upon the completion of the same, and such other financial information regarding the City as the Noteholder may reasonably request.

Section 4.05. Compliance with Laws and Regulations. The City shall maintain compliance with all federal, state and local laws and regulations regarding the acquisition, construction and maintenance of the Project.

Section 4.06. Financial Ratios and Issuance of Other Debt.

(a) The City covenants that it will comply with the rate covenant described in Section 20(R) of the Senior Lien Bond Resolution. For purposes of meeting that covenant hereunder, the references in such covenant to the phrase "Bond Service Requirement" shall be deemed to include debt service on the Note, based on the assumption that all of the principal is drawn as of the date hereof and is amortized annually on each October 1st over a period of 30 years from the date hereof to produce substantially equal annual debt service payments assuming an interest rate of 4.50%.

(b) The City may issue "Additional Parity Obligations" and execute "Parity Contract Obligation" pursuant to the Senior Lien Bond Resolution, without limitation, so long as it complies with the requirements of Section 20(Q) of the Senior Lien Bond Resolution. For purposes of meeting that covenant hereunder, the references in such covenant to the phrase "Bond Service Requirement" shall be deemed to include debt service on the Note, based on the assumption that all of the principal is drawn as of the date hereof and is amortized annually on each October 1st over a period of 30 years from the date hereof to produce substantially equal annual debt service payments assuming an interest rate of 4.50%.

(c) The City is not permitted to incur indebtedness with a parity lien on Designated Revenues, without the prior written consent of the holders of the Note.

(d) The City may incur subordinate indebtedness secured by Designated Revenues, without limitation, but only if there is an express statement that such obligations are junior and subordinate in all respects to the Note as to lien and source of security from payment from Designated Revenues.

Section 4.07. Prepayment. The Note shall be prepayable at any time without penalty.

Section 4.08. Application of Proceeds of Note; Project Fund. At the time of delivery of each Advance herein authorized, proceeds thereof shall be used to finance a component of the Project in accordance with the provisions of the next paragraph.

The City hereby covenants that it will establish for each Advance with a depository in the State of Florida, which is a member of the Federal Deposit Insurance Corporation and which is eligible under the laws of the State of Florida to receive municipal funds, funds to be known as the "City of Marco Island, Florida Subordinate Wastewater Improvement Revenue Note, Series 2008 – Draw No. ____ (_____ Assessment Area-- [Construction or Capacity] Charge), Project Fund" (the "Project Fund").

Proceeds from each Advance authorized herein shall be deposited into its respective Project Fund and shall be used as described above. When the construction of the component Project associated with that Advance has been completed and all construction costs have been paid in full, all funds remaining in the Project Fund shall be used to redeem the outstanding balance of the Note corresponding to that component Project. All moneys deposited in said Project Fund shall be and constitute a trust fund created for the purposes stated, and there is hereby created a lien upon such fund in favor of the holder of the Note until the moneys thereof shall have been applied in accordance with the terms hereof.

The funds and accounts created and established by this Agreement shall constitute trust funds for the purpose provided herein for such funds. All such funds, except as hereinafter provided, shall be continuously secured in the same manner as municipal deposits of funds are required to be secured by the laws of the State of Florida. Moneys on deposit to the credit of all funds and accounts created hereunder may be invested pursuant to applicable law and the City's investment policy and shall mature not later than the dates on which such moneys shall be needed to make payments in the manner herein provided. The securities so purchased as an investment of funds shall be deemed at all times to be a part of the account from which the said investment was withdrawn, and the interest accruing thereon and any profit realized therefrom shall be credited to such fund or account, except as expressly provided herein, and any loss resulting from such investment shall likewise be charged to said fund or account.

The cash required to be accounted for in each of the funds and accounts described in this Section 4.08 may be deposited in a single bank account, provided that adequate accounting records are maintained to reflect and control the restricted allocation of the cash on deposit therein for the various purposes of such funds and accounts as herein provided. The designation and establishment of the various funds in and by this Agreement shall not be construed to require the establishment of any completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues and assets of the City for certain purposes

and to establish certain priorities for application of such revenues and assets as herein provided.

Section 4.09. Unfunded Fee. The City shall pay the Bank a fee in the amount of 0.015% per annum of the average daily amount available to be drawn on the Loan from time to time (calculated on the basis of 360-day year and the actual number of days elapsed), payable quarterly in arrears, as of and within 15 days after the 5th day of each February, May, August and November, commencing November 5, 2008, and on the termination or expiration of the Loan; provided that for any day on which the outstanding funded principal balance of the Loan is equal to at least 50% of the sum of the outstanding principal balance of the Loan plus the amount then available to be Advanced on the Loan, no fee shall be due.

ARTICLE V

EVENTS OF DEFAULT AND REMEDIES

Section 5.01. Events of Default. Each of the following is hereby declared an "Event of Default:"

(a) payment of the principal of the Note shall not be made when the same shall become due and payable; or

(b) payment of any installment of interest on the Note shall not be made when the same shall become due and payable; or

(c) the City shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Note or in this Agreement and such default shall continue for thirty (30) days after written notice shall have been given to the City by the Noteholder specifying such default and requiring the same to be remedied; provided, however, that if, in the reasonable judgment of the Noteholder, the City shall proceed to take such curative action which, if begun and prosecuted with due diligence, cannot be completed within a period of thirty (30) days, then such period shall be increased to such extent as shall be necessary to enable the City to diligently complete such curative action; or

(d) any proceedings are instituted with the consent or acquiescence of the City, for the purpose of effecting a compromise between the City and its creditors or for the purpose of adjusting the claims of such creditors, pursuant to any federal or state statute now or hereinafter enacted; or

(e) the City admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors, or consents to the appointment of a receiver or trustee for itself or shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof; or

(f) the City is adjudged insolvent by a court of competent jurisdiction or is adjudged bankrupt on a petition of bankruptcy filed against the City, or an order, judgment or decree is entered by any court of competent jurisdiction appointing, without the consent of the City, a receiver or trustee of the City or of the whole or any part of its property and any of the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within sixty (60) days from the date of entry thereof; or

(g) if, under the provisions of any law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the City or of the whole or any

substantial part of its property and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control; or

- (h) an event of default under the Senior Lien Bond Resolution.

Section 5.02. Exercise of Remedies. Upon the occurrence and during the continuance of an Event of Default, a Noteholder may, by a notice in writing to the City, declare the principal of the Note (if not then due and payable) to be immediately due and payable, and upon such declaration, the same shall be immediately due and payable, anything contained in the Note or this Agreement to the contrary notwithstanding. Upon the occurrence and during the continuance of an Event of Default, the Noteholder may proceed to protect and enforce its rights under the laws of the State of Florida or under this Agreement by such suits, actions or special proceedings in equity or at law, or by proceedings in the office of any board or officer having jurisdiction, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein granted or for the enforcement of any proper legal or equitable remedy, as the Noteholder shall deem most effective to protect and enforce such rights. Without limiting the generality of the foregoing, the Noteholder shall have the right to bring a mandamus action to require the City to perform its obligations under Article IV of this Agreement.

In the enforcement of any remedy under this Agreement, to the extent permitted by law, the Noteholder shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any default becoming, and at any time remaining, due from the City for principal, interest or otherwise under any of the provisions of this Agreement or of the Note then unpaid, with interest on overdue payments of principal and interest (to the extent permitted by law), together with any and all costs and expenses of collection and of all proceedings hereunder and under the Note (including, without limitation, reasonable legal fees in all proceedings, including administrative, appellate and bankruptcy proceedings), but payable from the Designated Revenues, without prejudice to any other right or remedy of the Noteholder, and to recover and enforce any judgment or decree against the City, but solely as provided herein and in the Note, for any portion of such amounts remaining unpaid and interest, costs, and expenses as above provided, and to collect (but from the Designated Revenues) in any manner provided by law, the monies adjudged or decreed to be payable.

Section 5.03. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Noteholder is intended to be exclusive of any other remedy or remedies herein provided, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder.

Section 5.04. Waivers, Etc. No delay or omission of the Noteholder to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or any acquiescence therein; and every power and

remedy given by this Agreement to the Noteholder may be exercised from time to time and as often as may be deemed expedient.

The Noteholder may waive any default which, in its opinion, shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions of this Agreement or before the completion of the enforcement of any other remedy under this Agreement, but no such waiver shall be effective unless in writing and no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

Any term used in this Note and not otherwise defined shall have the meaning ascribed to such term in the Agreement.

Notwithstanding any provision in this Note to the contrary, in no event shall the interest contracted for, charged or received in connection with this Note (including any other costs or considerations that constitute interest under the laws of the State of Florida which are contracted for, charged or received) exceed the maximum rate of nonsurious interest allowed under the State of Florida as presently in effect and to the extent an increase is allowable by such laws, but in no event shall any amount ever be paid or payable by the City greater than the amount contracted for herein. In the event the maturity of this Note is accelerated or prepaid in accordance with the provisions hereof, then such amounts that constitute payments of interest, together with any costs or considerations which constitute interest under the laws of the State of Florida, may never exceed an amount which would result in payment of interest at a rate in excess of that permitted by Section 215.84(3), Florida Statutes, as presently in effect and to the extent an increase is allowable by such laws; and excess interest, if any, shall be cancelled automatically as of the date of such acceleration, or, if theretofore paid, shall be credited on the

principal amount of this Note unpaid, but such crediting shall not cure or waive any default under the Agreement.

THIS NOTE, WHEN DELIVERED BY THE CITY PURSUANT TO THE TERMS OF THE AGREEMENT, SHALL NOT BE OR CONSTITUTE AN INDEBTEDNESS OF THE CITY OR THE STATE OF FLORIDA (THE "STATE"), WITHIN THE MEANING OF ANY CONSTITUTIONAL, STATUTORY OR CHARTER LIMITATIONS OF INDEBTEDNESS, BUT SHALL BE PAYABLE SOLELY FROM THE DESIGNATED REVENUES ON PARITY STATUS WITH THE PARITY NOTES, AS PROVIDED IN THE AGREEMENT. THE HOLDER SHALL NEVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF THE AD VALOREM TAXING POWER OF THE CITY OR THE STATE, OR TAXATION IN ANY FORM OF ANY PROPERTY THEREIN TO PAY THIS NOTE OR THE INTEREST THEREON.

Upon the occurrence of an Event of Default the principal of this Note may become or be declared due and payable before the Maturity Date in the manner, with the effect and subject to the conditions set forth in the Agreement. The Holder shall also have such other remedies as described in the Agreement. Upon the occurrence of an Event of Default, the Note Rate shall become the Prime Rate plus four (4) percent.

The City hereby waives presentment, demand, protest and notice of dishonor. This Note is governed and controlled by the Agreement and reference is hereby made thereto regarding interest rate adjustments, acceleration, and other matters.

Re: Draw Note

Dear Mr. Harrison:

We appreciate the opportunity to present this financing proposal to the City of Marco Island.. The following provisions outline the general terms and conditions under which Bank of America would provide financing to the City of Marco Island (“the Borrower”).

Proposed Terms & Conditions

Loan: \$18,500,000 Draw Note

Draw Provisions: The Borrower may draw up to \$18,500,000 during the term of the loan.

Purpose: Monies to be used to provide short term financing for the City of Marco Island as it relates to the sewer assessment projects

Pricing/Term: The note will have a three year maturity. The credit facility shall be based a variable rate of 63.7% of the 30 day Libor plus 68 basis points. Such rate shall change daily based on changes in the 30 day Libor rate. Interest shall be calculated on the basis of a 360 day year and the actual number of days elapsed.

The above interest rates assume that this is a non bank qualified tax exempt loan. The Bank will require a legal opinion acceptable to the Bank and its counsel as to the tax exempt status of the note.

Unfunded Fee: For each quarter that the average loan balance is less than \$9,250,000 the Borrower shall pay an unfunded fee equivalent to 1.5 basis points of the average unfunded loan balance for such quarter.

Repayment: Interest only shall be payable monthly with all outstanding principal and accrued interest due at maturity. The monthly interest payments shall be automatically debited from the Borrower’s account. The Borrower shall be responsible to provide account details including bank routing and account numbers.

Security: The Loan will be secured by a subordinate lien on the net revenues of the City’s Utility System. This line shall be subordinate the City’s 2003 Utility Systems Revenue Bonds and the 2006 Bank loan.

Prepayment:

Borrower may prepay all or any portion of the Loan at any time without penalty.

Closing Costs:

Bank counsel will review documents prepared by a bond counsel selected and paid by the City, for a fee of \$3,500.00. The Borrower shall be responsible for payment of all legal fees.

Terms/Conditions:

- 1.) Borrower will provide a copy of its audited General Purpose Statements on an annual basis, within 270 days of its fiscal year-end.
- 2.) Borrower shall provide a copy of its annual budget upon request by the Bank.
- 3.) The Bank shall also have the right to adjust the tax-exempt interest rate in order to maintain the same after tax yield if any amendments to existing law are enacted which would adversely affect the Bank's after tax yield including any "determination of taxability" as will be defined in the Loan documents.
- 4.) The Borrower shall remain in compliance with the Rate Covenants and Additional Bonds Test as established in the Resolution authorizing the 2003 bonds. The "bond service requirement" as included in the existing rate covenant shall include the debt service on the \$18,500,000 and the \$4,000,000 assuming the line of credit is amortized over a period of 30 years at a assumed rate of 4.50%.

Authorization:

The Borrower will provide at closing, customary representations and warranties, including but not limited to its power to borrow, the Board actions to authorize these borrowings, the enforceability of all Loan documents, its good standing under Florida law, and that there has been no material adverse change in its financial condition since the last statement presented to the Bank.

On behalf of Bank of America, I am pleased to have the opportunity to make this proposal to the City of Marco Island.

Sincerely,

Holly Kuhlman
Senior Vice President
