

RESOLUTION NO. 06-35

1  
2  
3 A RESOLUTION OF THE CITY COUNCIL OF MARCO  
4 ISLAND, FLORIDA, RELATING TO THE  
5 CONSTRUCTION AND FUNDING OF WASTEWATER  
6 IMPROVEMENTS; DESCRIBING THE PROPERTY TO BE  
7 LOCATED WITHIN THE PORT MARCO ASSESSMENT  
8 AREA AND THE WASTEWATER IMPROVEMENTS TO BE  
9 CONSTRUCTED THEREIN; ESTIMATING THE COST OF  
10 THE WASTEWATER IMPROVEMENTS; ESTABLISHING  
11 THE METHOD OF ASSESSING THE COSTS OF THE  
12 WASTEWATER IMPROVEMENTS AGAINST REAL  
13 PROPERTY THAT WILL BE SPECIALLY BENEFITED;  
14 AUTHORIZING EXTRAORDINARY PAYMENT  
15 ALTERNATIVES; DIRECTING THE CITY MANAGER TO  
16 PREPARE A PRELIMINARY ASSESSMENT ROLL;  
17 ESTABLISHING A PUBLIC HEARING TO CONSIDER  
18 IMPOSITION OF THE PROPOSED ASSESSMENTS;  
19 DIRECTING THE PROVISION OF NOTICE IN  
20 CONNECTION THEREWITH; AND PROVIDING AN  
21 EFFECTIVE DATE.

22  
23 BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MARCO ISLAND,  
24 FLORIDA, AS FOLLOWS:  
25

26 ARTICLE I  
27 DEFINITIONS AND CONSTRUCTION

28 SECTION 1.01. DEFINITIONS. As used in this Initial Assessment Resolution,  
29 the following terms shall have the following meanings, unless the context hereof otherwise  
30 requires.

31 "Adjusted Prepayment Amount" means (A) the amount required to prepay the  
32 Assessment for each Tax Parcel located in the Port Marco Assessment Area (1) following

**CITY OF MARCO ISLAND, FLORIDA**

APPENDIX C	DESCRIPTION OF PORT MARCO ASSESSMENT AREA

issuance of the Original Obligations, as computed pursuant to Section 3.04(B) hereof and revised annually pursuant to Section 3.05(I) hereof, and (2) following issuance of any Refunding Obligations, as computed pursuant Section 3.04(C) hereof and revised annually pursuant to Section 3.05(I) hereof; and (B) the comparable prepayment amounts computed and revised for each Tax Parcel against which a special assessment has been imposed to finance other Utility System improvements, if any, funded from proceeds of the Obligations.

**"Annual Debt Service Component"** means the amount computed for each Tax Parcel pursuant to Section 3.05(E) hereof.

**"Annual Debt Service Factor"** means the factor computed pursuant to Section 3.04(D) hereof

**"Assessment"** means a special assessment (sometimes characterized as a non-ad valorem assessment) imposed by the City against property located within the Port Marco Assessment Area to respectively fund the Project Cost of Wastewater Collection Improvements and/or Wastewater Treatment Capacity Improvements to serve the Port Marco Assessment Area and related expenses, computed in the manner described in Section 3.05 hereof.

**"Assessment Ordinance"** means City Ordinance No. 99-1, codified in the City Code in Sections 2-281 through 2-379, as may be amended from time to time, or its successor in function.

"**Assessment Roll**" means a non-ad valorem assessment roll relating respectively to the Project Cost of the Wastewater Collection Improvements and/or Wastewater Treatment Capacity Improvements and related expenses.

"**Capital Cost**" means respectively all or any portion of the expenses that are properly attributable to the assessment program preparation, planning, acquisition, design, construction, installation, reconstruction, renewal or replacement (including demolition, environmental mitigation and relocation) of the Wastewater Collection Improvements and/or Wastewater Treatment Capacity Improvements and the respective imposition of the Assessments under generally accepted accounting principles; and including reimbursement to the City for any funds advanced for Capital Cost and interest on any interfund or intrafund loan for such purposes.

"**City**" means the City of Marco Island, Florida.

"**City Code**" means the Code of Laws and Ordinances of the City of Marco Island, Florida.

"**City Manager**" means the City Manager of the City, or his or her designee responsible for coordinating Assessments as provided herein.

"**Collection Cost**" means the estimated cost to be incurred by the City during any Fiscal Year in connection with the collection of Assessments.

**"Collection Cost Component"** means the amount computed for each Tax Parcel pursuant to Section 3.05(F) hereof.

**"Council"** means the City Council of the City.

**"Debt Service Amount"** means the amount computed pursuant to Section 3.05(A) hereof.

**"Deferred Payment Agreement"** means an agreement described in Section 3.09 hereof authorized by the Council by and between the City and all of the record owners of any property subjected to Assessments which provides for the alternative payment or funding of an amount equivalent to the Initial Prepayment Amount by the City on behalf of the owner, and alternatively evidences and governs the repayment of such amount as an alternative and consensual special assessment.

**"Equivalent Residential Connection"** or **"ERC"** means a unit of measurement that approximates the average demand of an individually metered single-family residential dwelling unit.

**"Final Assessment Resolution"** means the resolution described in the Assessment Ordinance that confirms, modifies, or repeals this Initial Assessment Resolution for the Port Marco Assessment Area.

**"Fiscal Year"** means the period commencing on October 1 of each year and continuing through the next succeeding September 30, or such other period as may be prescribed by law as the fiscal year for the City.

**"Funding Agreement"** means the agreement pursuant to which the City agrees to deliver the Obligations against payment therefor by the purchaser or underwriter of such Obligations.

**"Initial Prepayment Amount"** means the amount computed pursuant Section 3.04(A) hereof for each Tax Parcel located in the Port Marco Assessment Area to prepay an Assessment prior to issuance of the Original Obligations.

**"Modified Debt Service Amount"** means the amount computed pursuant to Section 3.05(C) hereof.

**"Obligations"** means Original Obligations or Refunding Obligations. For the purpose of computing the Assessments as provided in Article III hereof, and wherever the context so requires, the term shall only include that portion of any Obligations attributable to the Assessments respectively imposed for the Wastewater Collection Improvements and/or Wastewater Treatment Capacity Improvements within the Port Marco Assessment Area.

**"On-site Performance Based Wastewater Treatment System"** means a wastewater system located upon and serving property subject to an Assessment meeting operational criteria as defined in Rule 64E-6.025(1) or (2), Florida Administrative Code, or its successor in function.

**"Original Obligations"** means a series of bonds or other evidence of indebtedness including but not limited to, notes, commercial paper, capital leases or any other

obligations of the City issued or incurred to finance any portion of the Project Cost of the Wastewater Collection Improvements and/or Wastewater Treatment Capacity Improvements and which may be secured, in whole or in part, by proceeds of the Assessments.

**"Port Marco Assessment Area"** means the area subject to the special assessments contemplated herein, as described in Section 3.01 hereof.

**"Prepayment Modification Factor"** means the factor computed pursuant to Section 3.05(B) hereof.

**"Project Cost"** means respectively (A) the Capital Cost of the Wastewater Collection Improvements and/or Wastewater Treatment Capacity Improvements, (B) the Transaction Cost associated with the Obligations attributable to the Wastewater Collection Improvements and/or Wastewater Treatment Capacity Improvements, (C) interest accruing on such Obligations for such period of time as the City deems appropriate, (D) the debt service reserve fund or account, if any, established for the Obligations attributable to the Wastewater Collection Improvements and/or Wastewater Treatment Capacity Improvements, and (E) any other costs or expenses related thereto.

**"Property Appraiser"** means the Collier County Property Appraiser.

**"Refunding Obligations"** means a series of bonds or other evidence of indebtedness including but not limited to, notes, commercial paper, capital leases or any other

obligations of the City issued or incurred to refund all or any portion of the Original Obligations or any indebtedness issued to refinance the Original Obligations.

"**State**" means the State of Florida.

"**Statutory Discount Amount**" means the amount computed for each Tax Parcel pursuant to Section 3.05(G) hereof.

"**Tax Parcel**" means a parcel of property to which the Property Appraiser has assigned a distinct ad valorem property tax identification number.

"**Tax Roll**" means the real property ad valorem tax assessment roll maintained by the Property Appraiser for the purpose of the levy and collection of ad valorem taxes.

"**Transaction Cost**" means the costs, fees and expenses incurred by the City in connection with the issuance and sale of any series of Obligations, including but not limited to (A) rating agency and other financing fees; (B) the fees and disbursements of bond counsel or special assessment counsel; (C) the underwriters' discount; (D) the fees and disbursements of the City's financial advisor; (E) the costs of preparing and printing the Obligations, the preliminary official statement, the final official statement, and all other documentation supporting issuance of the Obligations; (F) the fees payable in respect of any municipal bond insurance policy; (G) administrative, development, credit review, and all other fees associated with any pooled commercial paper or similar interim financing program; and (G) any other costs of a similar nature incurred in connection with issuance of such Obligations.

**"Uniform Assessment Collection Act"** means Sections 197.3632 and 197.3635, Florida Statutes, or any successor statutes authorizing the collection of non-ad valorem assessments on the same bill as ad valorem taxes, and any applicable regulations promulgated thereunder.

**"Utility System"** means the public wastewater utility system owned and operated by the City which provides central wastewater collection, treatment, and disposal facilities and services.

**"Wastewater Collection Improvements"** shall be deemed a local improvement as such term is defined in the Assessment Ordinance, and means the wastewater collection facilities and ancillary capital improvements to be constructed by the City, including but not limited to, the acquisition, installation construction, retrofitting and provision of gravity lines, force mains, pump or lift stations and associated subdivision type infrastructure necessary to service the Port Marco Assessment Area, together with land or easement acquisition costs, which will provide for collection of wastewater generated within the Port Marco Assessment Area. The Wastewater Collection Improvements do not include Wastewater Treatment Capacity Improvements.

**"Wastewater Treatment Capacity Improvements"** shall be deemed local improvements as such term is defined in the Assessment Ordinance, and means the wastewater transmission, treatment, disposal and reuse facilities and ancillary capital improvements to be constructed by the City including, but not limited to, major

transmission, treatment plant, and reuse disposal facilities, together with land or easement acquisition costs, which will receive, accommodate, treat and dispose of the additional wastewater generated by new users, growth and the construction of Wastewater Collection Improvements within the Port Marco Assessment Area. Wastewater Treatment Capacity Improvements do not include Wastewater Collection Improvements.

**SECTION 1.02. INTERPRETATION.** Unless the context indicates otherwise, words importing the singular number include the plural number, and vice versa; the terms "hereof," "hereby," "herein," "hereto," "hereunder" and similar terms refer to this Resolution; and the term "hereafter" means after, and the term "heretofore" means before, the effective date of this Resolution. Words of any gender include the correlative words of the other gender, unless the sense indicates otherwise.

**SECTION 1.03. FINDINGS.** It is hereby ascertained, determined and declared that:

(A) The City has acquired and created the Utility System for the purpose of providing central wastewater collection, treatment, and disposal facilities and services within and adjacent to the municipal boundaries of the City.

(B) The presence of the Utility System enhances and benefits the environment and the health, safety, and welfare of landowners and persons inhabiting the City and adjacent unincorporated areas through the provision, *inter alia*, of municipally provided

and professionally maintained central wastewater collection, treatment, disposal and reuse facilities and services.

(C) The City has initiated an expansion program for the Utility System with the intent to construct, in a series of phases to be determined from time to time, within geographic areas served by, or capable of being served by, the Utility System, Wastewater Collection Improvements and Wastewater Treatment Capacity Improvements in order to provide central wastewater service to owners of vacant parcels and owners and users of parcels served by on-site sewage treatment and disposal systems including, but not limited to, septic tanks and cess pits located within the City and adjacent unincorporated areas served by the Utility System, based on funding availability and physical and economic feasibility.

(D) The City is embarking upon the expansion of the Utility System to equitably, ecologically and economically manage the collection and disposal of wastewater and improve the water quality within and surrounding the City. The presence of the Utility System enhances and benefits the environment and the health, safety and welfare of landowners and persons inhabiting the City and removes environmental burdens created by inadequate, obsolete or poorly maintained on-site sewage treatment and disposal systems, and will serve to end the proliferation of on-site sewage treatment disposal systems.

(E) The Council desires to create the Port Marco Assessment Area to fund, in part, the construction of the proportionate share of the Wastewater Collection

Improvements therein and the proportionate share of the Wastewater Treatment Capacity Improvements the City anticipates will be needed to serve the Port Marco Assessment Area.

(F) The City is authorized by Article VIII, Section 2 of the State Constitution, Section 166.021, Florida Statutes, the Assessment Ordinance, the Uniform Assessment Collection Act, and other applicable provisions of law, to provide for the imposition and collection of charges in the form of special assessments; such impositions are also sometimes characterized as non-ad valorem assessments.

(G) The Assessment Ordinance provides the procedure for establishing assessment areas within which to impose and collect Assessments to finance local improvements such as the Wastewater Collection Improvements and Wastewater Treatment Capacity Improvements.

(H) The development, construction, installation, delivery and funding of the Wastewater Collection Improvements and Wastewater Treatment Capacity Improvements will improve the environmentally sound use and enjoyment of property located within the Port Marco Assessment Area by providing a centralized means of collecting and disposing of treated wastewater generated within the Port Marco Assessment Area through the Utility System in a manner that diminishes and relieves the environmental burdens created by less effective means of treating wastewater currently in use, thereby providing a special benefit to such property.

(I) The development, construction, installation, delivery and funding of the Wastewater Collection Improvements and Wastewater Treatment Capacity Improvements provides a special benefit to all property capable of development within the Port Marco Assessment Area by facilitating the development and/or redevelopment of such property.

(J) The development, construction, installation, delivery and funding of the Wastewater Collection Improvements and Wastewater Treatment Capacity Improvements will immediately increase the available utility and use of every parcel served by reducing the area of land needed to facilitate the location of on-site sewage treatment facilities thereon, thereby providing a special benefit to such property.

(K) The construction of Wastewater Collection Improvements and Wastewater Treatment Capacity Improvements will make available and accommodate increased consumption and demand for wastewater collection, treatment and disposal from individual parcels through connection to the Utility System, thereby providing a special benefit to such property.

(L) The Port Marco Assessment Area is substantially composed of sixteen (16) similarly sized single family dwelling lots (with mobile homes located thereon), held under a cooperative form of ownership, which allow a relatively high level of certainty in the design and sizing of Wastewater Collection Improvements required to serve the Port Marco Assessment Area. Accordingly, it is fair and reasonable to use an equivalent residential connection method for computing Assessments to fund Wastewater Collection

Improvements within the Port Marco Assessment Area based upon 0.804 equivalent residential connection for each single-wide mobile home and 0.982 equivalent residential connection for each double-wide mobile home located upon a cooperative residential mobile home lot or parcel.

(M) All of the Port Marco Assessment Area has been improved with residential dwellings, which are connected to an existing collection system, and it is fair and reasonable to develop an apportionment approach for Wastewater Treatment Capacity Improvements otherwise generally consistent with the method used by the City for the imposition of impact fees, but which takes into consideration the ultimate conveyance of wastewater from the Port Marco Assessment Area to the Utility System.

(N) The Assessments to be imposed in accordance with this Resolution provide an equitable method of funding the Wastewater Collection Improvements and Wastewater Treatment Capacity Improvements by fairly and reasonably allocating the estimated Capital Cost and Project Cost to specially benefited property.

**ARTICLE II**

**NOTICE AND PUBLIC HEARING**

**SECTION 2.01. ESTIMATED CAPITAL COST AND PROJECT COST.**

(A) The estimated Capital Cost for the Wastewater Collection Improvements allocated to the Port Marco Assessment Area is \$198,610. The estimated Project Cost allocated to the Port Marco Assessment Area for the Wastewater Collection Improvements is \$211,242. The Project Cost identified herein will be substantially funded through the imposition of Assessments against property located in the Port Marco Assessment Area in the manner set forth in Article III hereof.

(B) The estimated Capital Cost for the Wastewater Treatment Capacity Improvements allocated to the Port Marco Assessment Area is \$73,160. The estimated Project Cost allocated to the Port Marco Assessment Area for the Wastewater Treatment Capacity Improvements is \$77,813. The Project Cost identified herein will be substantially funded through the imposition of Assessments against property located in the Port Marco Assessment Area in the manner set forth in Article III hereof.

**SECTION 2.02. ASSESSMENT ROLL.**

(A) The City Manager is hereby directed to prepare a preliminary Assessment Roll in the manner provided in the Assessment Ordinance for Wastewater Collection Improvements and Wastewater Treatment Capacity Improvements.

(B) The City Manager shall compute and allocate the Assessments for Wastewater Collection Improvements and Wastewater Treatment Capacity Improvements among the parcels of real property within the Port Marco Assessment Area as reflected on the Tax Roll in conformity with Article III hereof.

(C) The Assessment Roll shall be maintained on file in the offices of the City Manager and open to public inspection. The foregoing shall not be construed to require that the Assessment Roll be in printed form if the amount of the Assessment for each Tax Parcel can be determined by use of a computer terminal or internet access available to the public.

**SECTION 2.03. PUBLIC HEARING.** A public hearing will be conducted by the Council at 6:00 PM on Tuesday, October 16, 2006, at Frank Mackle Community Park, 1361 Andalusia Terrace, Marco Island, Florida, to consider imposition of the Assessments for Wastewater Collection Improvements and Wastewater Treatment Capacity Improvements.

**SECTION 2.04. NOTICE BY PUBLICATION.** Upon completion of the materials required by Section 2.02 hereof, the City Manager shall publish a notice of the public hearing authorized by Section 2.03 hereof in the manner and the time provided in the Assessment Ordinance. Such notice shall be in substantially the form attached hereto as Appendix A.

**SECTION 2.05. NOTICE BY MAIL.** Upon completion of the preliminary Assessment Roll, the City Manager shall, at the time and in the manner specified in the

Assessment Ordinance, provide first class mailed notice of the public hearing authorized by Section 2.03 hereof to each property owner proposed to be assessed at the address indicated on the Tax Roll. Such notice shall be in substantially the form attached hereto as Appendix B.

**ARTICLE III  
ASSESSMENTS**

**SECTION 3.01. DESCRIPTION OF PROPOSED ASSESSMENT AREA.** The proposed Port Marco Assessment Area shall include the area described in Appendix C attached hereto. The Port Marco Assessment Area is proposed for the purpose of improving the sound environmental use and enjoyment of property and funding the provision of Wastewater Collection Improvements and Wastewater Treatment Capacity Improvements benefiting property located therein. The Council may expand the Port Marco Assessment Area, without further notice to the owners of property described in Appendix C, to include additional property against which annual assessments of the same amount and terms described herein will be imposed; provided however, that no such expansion shall increase the annual assessment payable in respect of the property described in Appendix C or modify the terms thereof.

**SECTION 3.02. IMPOSITION OF ASSESSMENTS.** Assessments shall be imposed against property located within the Port Marco Assessment Area, the annual amount and term of which shall be computed for each Tax Parcel in accordance with this Article III. When imposed, the Assessment for each Fiscal Year shall constitute a lien pursuant to the Assessment Ordinance upon the Tax Parcels located in the Port Marco Assessment Area.

**SECTION 3.03. DETERMINATION OF EQUIVALENT RESIDENTIAL CONNECTIONS; APPORTIONMENT APPROACH.**

(A) In determining equivalent residential connections relative to Wastewater Collection Improvements and Wastewater Treatment Capacity Improvements, it is fair and reasonable to take into consideration the relatively high level of certainty in the design and sizing of Wastewater Collection Improvements required to serve the Port Marco Assessment Area. Accordingly, all Tax Parcels with existing single-wide mobile home or double-wide mobile home dwelling units thereon or otherwise capable of being similarly improved shall be determined to have 0.804 equivalent residential connection for each single-wide mobile home and 0.982 equivalent residential connection for each double-wide mobile home located upon a cooperative residential mobile home lot or parcel.

(B) Property located within the Port Marco Assessment Area will be subject to Assessments for Wastewater Collection Improvements at a rate of \$16,552 per ERC.

(C) Property located within the Port Marco Assessment Area will be subject to Assessments for Wastewater Treatment Capacity Improvements at a rate of \$5,587 per ERC.

**SECTION 3.04. PREPAYMENT AMOUNTS.**

(A) If applicable, the Initial Prepayment Amount for each Tax Parcel located within the Port Marco Assessment Area shall be respectively computed for Wastewater Collection Improvements and Wastewater Treatment Capacity Improvements by (1)

dividing the number of ERCs attributable to such Tax Parcel by the total number of ERCs attributable to Tax Parcels within the Port Marco Assessment Area, and (2) multiplying the result by the estimated Capital Cost of the respective Wastewater Collection Improvements and Wastewater Treatment Capacity Improvements.

(B) Following issuance of the Original Obligations, an Adjusted Prepayment Amount for each Tax Parcel, other than those Tax Parcels as to which the Assessment has been prepaid prior to issuance of the Original Obligations, shall be respectively computed for the Wastewater Collection Improvements and Wastewater Treatment Capacity Improvements by multiplying (1) the amount computed by dividing (a) the Initial Prepayment Amount established herein for such Tax Parcel by (b) the sum of (i) the aggregate Initial Prepayment Amounts for all Tax Parcels within the Port Marco Assessment Area and (ii) the aggregate comparable prepayment amounts computed for all Tax Parcels against which a special assessment has been imposed to finance other utility improvements funded from proceeds of the Original Obligations, in each case excluding those Tax Parcels as to which the Assessment has been prepaid prior to issuance of the Original Obligations, by (2) the principal amount of the Original Obligations. The Adjusted Prepayment Amount for each Tax Parcel shall be revised annually, as provided in Section 3.05(I) hereof.

(C) Following issuance of any Refunding Obligations, a new Adjusted Prepayment Amount for each Tax Parcel, other than those Tax Parcels as to which the

Assessment has been prepaid prior to issuance of such Refunding Obligations, shall be respectively computed for Wastewater Collection Improvements and Wastewater Treatment Capacity Improvements by multiplying (1) the amount computed by dividing (a) the Adjusted Prepayment Amount for such Tax Parcel by (b) the sum of (i) the aggregate Adjusted Prepayment Amounts for all Tax Parcels within the Port Marco Assessment Area and (ii) the aggregate comparable prepayment amounts computed for all Tax Parcels against which a special assessment has been imposed to finance other utility improvements funded from proceeds of the Obligations being refunded, in each case excluding those Tax Parcels as to which the Assessment has been prepaid prior to issuance of such Refunding Obligations, by (2) the principal amount of such Refunding Obligations. The Adjusted Prepayment Amount for each Tax Parcel shall be revised annually, as provided in Section 3.05(I) hereof.

**SECTION 3.05. COMPUTATION OF ASSESSMENTS.** Assessments for Wastewater Collection Improvements and Wastewater Treatment Capacity Improvements will be imposed for twenty (20) years, which are anticipated to commence with the ad valorem tax bill issued in November 2007. The Assessments for Wastewater Collection Improvements and Wastewater Treatment Capacity Improvements will be computed for each Tax Parcel in the manner set forth in this Section 3.05.

(A) DEBT SERVICE AMOUNT. A "Debt Service Amount" shall be computed for each Fiscal Year as the amount which would be payable in respect of the Obligations in

accordance with a debt service schedule prepared under the following assumptions: (1) the principal installments equal those established in the Funding Agreement, and (2) the Obligations bear interest at a rate one full percentage point in excess of the actual rate; provided however, that the "Debt Service Amount" for any Fiscal Year shall not exceed the principal amount of Obligations then outstanding plus interest thereon at rates one full percentage point in excess of the actual rates.

(B) PREPAYMENT MODIFICATION FACTOR. A "Prepayment Modification Factor" shall be computed for each Fiscal Year by dividing (1) the amount computed by subtracting (a) the sum of the Adjusted Prepayment Amounts, as of the date on which the Obligations are issued by the City, for all Tax Parcels as to which prepayment has been made following issuance of the Obligations, from (b) the total principal amount of Obligations initially issued by the City, by (2) the total principal amount of Obligations initially issued by the City.

(C) MODIFIED DEBT SERVICE AMOUNT. A "Modified Debt Service Amount" shall be computed for each Fiscal Year by multiplying (1) the Debt Service Amount by (2) the Prepayment Modification Factor.

(D) ANNUAL DEBT SERVICE FACTOR. An "Annual Debt Service Factor" shall be computed for each Fiscal Year by dividing (1) the Modified Debt Service Amount by (2) the aggregate Adjusted Prepayment Amount.

(E) ANNUAL DEBT SERVICE COMPONENT. The "Annual Debt Service Component" shall be computed for each Fiscal Year for each Tax Parcel by multiplying (1) the Adjusted Prepayment Amount for such Tax Parcel by (2) the Annual Debt Service Factor.

(F) COLLECTION COST COMPONENT. The "Collection Cost Component" shall be computed each Fiscal Year for each Tax Parcel by (1) dividing (a) the Adjusted Prepayment Amount for such Tax Parcel by (b) the sum of the aggregate Adjusted Prepayment Amount, and (2) multiplying the result by the Collection Cost.

(G) STATUTORY DISCOUNT AMOUNT. The "Statutory Discount Amount" shall be computed for each Tax Parcel as the amount by law as the maximum discount for early payment of ad valorem taxes and non-ad valorem assessments, such amount to be calculated by deducting (1) the sum of (a) the Annual Debt Service Component and (b) the Collection Cost Component, from (2) the amount computed by dividing (a) the sum of (i) the Annual Debt Service Component and (ii) the Collection Cost Component, by (b) 0.96.

(H) ASSESSMENT. The annual Assessment for each Tax Parcel shall be computed as the sum of (1) the Annual Debt Service Component, (2) the Collection Cost Component and (3) the Statutory Discount Amount.

(I) REVISION OF ADJUSTED PREPAYMENT AMOUNT. Upon issuance of the ad valorem tax bill for each Fiscal Year, the Adjusted Prepayment Amount for each Tax Parcel shall be recomputed by deducting (1) the amount computed by (a) dividing (i) the

principal component of the Debt Service Amount utilized to compute the Debt Service Component for the Assessment Roll by (ii) the total Debt Service Amount utilized to compute the Debt Service Component for the Assessment Roll and (b) multiplying the result by the Annual Debt Service Component included on the Assessment Roll for the Tax Parcel, from (2) the Adjusted Prepayment Amount utilized to compute the Annual Assessment included on the Assessment Roll for such Tax Parcel.

**SECTION 3.06. INITIAL PREPAYMENT OPTION.**

(A) Following adoption of the Final Assessment Resolution but prior to the date on which the Assessment Roll is certified for collection, the City Manager shall provide first class mailed notice to the owner of each Tax Parcel subject to the Assessment of the owner's option to prepay all future annual Assessments. On or prior to the date specified in such notice (which shall not be earlier than the thirtieth calendar day following the date on which the notice is delivered to the possession of the U.S. Postal Service), the owner of each Tax Parcel subject to the Assessment shall be entitled to prepay the Assessment and be relieved thereby of all future annual Assessments; other than adjustments resulting from substantial redevelopment or improvement as provided in Section 3.11 herein. The Council, in its sole discretion, may elect to accept prepayments pursuant to this Section 3.06 on any date prior to execution of the Funding Agreement.

(B) The amount of all prepayments made pursuant to this Section 3.06 shall be final and only subject to adjustment as provided in Section 3.11 hereof. The City shall not

be required to refund any portion of a prepayment if the actual Capital Cost of the Wastewater Collection Improvements and/or Wastewater Treatment Capacity Improvements is less than the estimated Capital Cost upon which the Initial Prepayment Amount was computed.

**SECTION 3.07. ADDITIONAL PREPAYMENT OPTION.**

(A) Following the date specified in the notice provided pursuant to Section 3.06(A) hereof, or such later date as the Council may allow in its sole discretion, the owner of each Tax Parcel subject to the Assessments shall be entitled to prepay all future unpaid annual Assessments upon payment of an amount equal to the sum of (1) the Adjusted Prepayment Amount for such Tax Parcel, and (2) interest on the Adjusted Prepayment Amount, computed at a rate one full percentage point in excess of the rate on the Obligations, from the most recent date to which interest on the Obligations has been paid to the next date following such prepayment on which the City can redeem Obligations after providing all notices required to redeem all or any portion of the Obligations.

(B) During any period commencing on the date the annual Assessment Roll is certified for collection pursuant to the Uniform Assessment Collection Act and ending on the next date on which unpaid ad valorem taxes become delinquent, the City may reduce the amount required to prepay the future unpaid annual Assessments for the Tax Parcel by the amount of the Assessment that has been certified for collection with respect to such Tax Parcel.

(C) The amount of all prepayments made pursuant to this Section 3.07 shall be final and only subject to adjustment as provided in Section 3.11 hereof. The City shall not be required to refund any portion of a prepayment if (1) either the Capital Cost of the Wastewater Collection Improvements and/or Wastewater Treatment Capacity Improvements is less than the amount upon which such Adjusted Prepayment Amount was computed, or (2) annual Assessments will not be imposed for the full number of years anticipated at the time of such prepayment.

**SECTION 3.08. MANDATORY PREPAYMENT UPON SALE OR TRANSFER FOR VALUE.**

(A) If at any time a Tax Parcel subject to the Assessment is sold or otherwise is transferred for other than nominal consideration, the payment of the Assessment shall be accelerated, and the owner shall prepay all future unpaid annual Assessments for such Tax Parcel. Nominal consideration shall mean a transfer only requiring minimum documentary stamp taxes. The amount required to prepay the future unpaid annual Assessments will be equal to the sum of (1) the Adjusted Prepayment Amount for such Tax Parcel, and (2) interest on the Adjusted Prepayment Amount, computed at a rate one full percentage point in excess of the rate on the Obligations, from the most recent date to which interest on the Obligations has been paid to the next date following such prepayment on which the City can redeem Obligations after providing all notices required to redeem all or any portion of the Obligations.

(B) During any period commencing on the date the annual Assessment Roll is certified for collection pursuant to the Uniform Assessment Collection Act and ending on the next date on which unpaid ad valorem taxes become delinquent, the City may reduce the amount required to prepay the future unpaid annual Assessments for the Tax Parcel by the amount of the Assessment that has been certified for collection with respect to such Tax Parcel.

(C) The amount of all prepayments made pursuant to this Section 3.08 shall be final and only subject to adjustment as provided in Section 3.11 hereof. The City shall not be required to refund any portion of a prepayment if (1) either the Capital Cost of the Wastewater Collection Improvements and/or Wastewater Treatment Capacity Improvements is less than the amount upon which such Adjusted Prepayment Amount was computed, or (2) annual Assessments will not be imposed for the full number of years anticipated at the time of such prepayment.

(D) The proceeds of any prepayments received by the City pursuant to this Section 3.08 shall be applied to the repayment of the Obligations or otherwise retire the Project Cost.

**SECTION 3.09. ALTERNATIVE PAYMENT OPPORTUNITIES; DEFERRED PAYMENT AGREEMENT.**

(A) In an attempt to provide extraordinary alternative payment opportunities to owners whose property is subjected to Assessments for Wastewater Collection

Improvements and Wastewater Treatment Capacity Improvements, affected owners may be afforded the opportunity to defer payment of a principal amount equivalent to the Initial Prepayment Amount by entering into a Deferred Payment Agreement with the City, which shall be executed with the same formality as a deed and recorded in the Official Records of Collier County, Florida, in a form and manner authorized by resolution of the Council and approved by the City Attorney. In such an event, the Assessment shall be deemed prepaid for the purposes of administering the Assessment Roll created as a result of this Initial Assessment Resolution and the lien and obligation to pay the amount equivalent to the Initial Prepayment Amount and all interest subsequently accruing thereon, in a single payment due no later than the twentieth (20) anniversary of the Deferred Payment Agreement, or upon transfer of ownership of the subject property, whichever first occurs.

(B) The opportunity to enter into a Deferred Payment Agreement with the City shall only be available prior to the issuance of any Original Obligations. The Council, in its sole discretion, may elect to enter into a Deferred Payment Agreement pursuant to this Section 3.09 on any date prior to execution of the Funding Agreement.

(C) The City shall advance and fund, on behalf of the owner, the Assessment attributable to the property of an owner who enters into a Deferred Payment Agreement; and, the Deferred Payment Agreement shall in turn provide for the alternative consensual special assessment of the benefited property which shall be collected separate and apart

from any other Assessments imposed as a result of this Initial Assessment Resolution, or any Final Assessment Resolution.

(D) Any Deferred Payment Agreement shall require that the owner acknowledge the estimated amount of the final payment due, including principal and accrued interest, at the full term thereof, and the acknowledgement that the separate lien created by the Deferred Payment Agreement on the subject property is an alternative and consensual special assessment equal in rank and dignity with the liens of all state, county, district or municipal taxes and other non-ad valorem assessments, and when due shall be superior to all other liens, titles and claims, including any mortgage, until paid. The Deferred Payment Agreement shall not be subject to any subordination to any other lien or mortgage.

(E) Following the adoption of the Final Assessment Resolution but prior to the date on which the Assessment Roll is certified for collection, the City Manager shall provide first class mailed notice to the owner of each Tax Parcel subject to the Assessment of the available opportunity to enter into a Deferred Payment Agreement. On or prior to the date specified in such notice (which shall not be earlier than the thirtieth calendar day following the date on which the notice is delivered to the possession of the U.S. Postal Service), the owner of each Tax Parcel subject to the Assessment shall have the opportunity to enter into a Deferred Payment Agreement. The principal amount of any Deferred Payment Agreement made pursuant to this Section 3.09 shall be final and only subject to adjustment as provided in Section 3.11 hereof. The City shall not be required to refund or

adjust the principal amount, or any interest accruing thereon, due pursuant to any Deferred Payment Agreement if the actual Capital Cost of the Wastewater Collection Improvements and Wastewater Treatment Capacity Improvements is less than the estimated Capital Cost upon which the Initial Prepayment Amount or principal amount of the Deferred Payment Agreement was computed.

**SECTION 3.10. [RESERVED]**

**SECTION 3.11. ADJUSTMENT AFTER PREPAYMENT UPON SUBSTANTIAL IMPROVEMENT OF TAX PARCEL.** In the event any Assessment is prepaid for any Tax Parcel, or portion thereof, and the Tax Parcel is subsequently developed or reconstructed with more equivalent residential connections than attributed at the time of prepayment, the owner of the Tax Parcel shall then be subject to an adjustment in the Assessment for each additional ERC, or fraction thereof, and shall pay such additional amount to the City in cash at the time a building permit is issued. Such adjustment shall be computed in accordance with the most recent Annual Assessment Resolution for the subject Assessment, without any other credit, refund, recalculation or reapportionment, so that the proceeds from such additional Assessments are available to the City to additionally apply to payment of applicable Obligations or otherwise retire the Project Cost.

ARTICLE IV  
GENERAL PROVISIONS

SECTION 4.01. METHOD OF COLLECTION. The Assessments shall be collected pursuant to the Uniform Assessment Collection Act.

SECTION 4.02. SEVERABILITY. If any clause, section or provision of this Resolution shall be declared unconstitutional or invalid for any reason or cause, the remaining portion of said Resolution shall be in full force and effect and be valid as if such invalid portion thereof had not been incorporated herein.

SECTION 4.03. EFFECTIVE DATE. This Resolution shall take effect immediately upon its adoption.

DULY ADOPTED this 5<sup>th</sup> day of September 2006.

CITY COUNCIL OF MARCO  
ISLAND, FLORIDA

**APPENDIX A**

**FORM OF NOTICE TO BE PUBLISHED**

**[INSERT MAP OF IMPROVEMENT AREA]**

**NOTICE OF HEARING TO IMPOSE AND  
PROVIDE FOR COLLECTION OF NON-AD VALOREM ASSESSMENTS  
IN THE PORT MARCO ASSESSMENT AREA**

Notice is hereby given that the City of Marco Island will conduct a public hearing to consider the collection of special assessments within the Port Marco Assessment Area, as shown above, through the imposition of non-ad valorem assessments for the construction of wastewater collection and wastewater treatment capacity improvements. The hearing will be held at 6:00 PM on Monday, October 16, 2006, at Frank Mackle Community Park, 1361 Andalusia Terrace, Marco Island, Florida, for the purpose of receiving public comment on the proposed assessment area, special assessments and improvements. All affected property owners have a right to appear at the hearing and to file written objections with the City Council within twenty (20) days of this notice. If a person decides to appeal any decision made by the City Council with respect to any matter considered at the hearing, such person will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, persons needing a special accommodation or an interpreter to participate in this proceeding should contact the City Clerk at 50 Bald Eagle Drive, Marco Island, Florida, at least forty-eight (48) hours prior to the date of the hearing.

The assessment for each parcel of property will be based upon the total number of equivalent residential connections on each improved tax parcel on the date the assessment is imposed. A more specific description of the improvements and the method of computing the assessment for each parcel of property are set forth in the Initial Assessment Resolution adopted by the City Council on September 5, 2006. Copies of the Initial Assessment Resolution and the preliminary Assessment Roll are available for inspection at the office of the City Clerk.

Commencing in November 2007, the assessments are anticipated to be collected on the ad valorem tax bill, as authorized by Section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the property which may result in a loss of title. Failing prepayment of the applicable special assessments, the City Council intends to collect the assessments in twenty (20) annual installments.

If you have any questions, please contact the City Clerk at (239) 389-5000.

Re: Parcel Number [Insert Number]  
Property Address [Insert if Available]  
Port Marco Assessment Area, Wastewater Assessments

Dear Property Owner:

The City Council is considering the imposition of special assessments to pay for wastewater collection improvements and wastewater treatment capacity improvements in the Port Marco Assessment Area; in the event such charges are not prepaid, the City Council will impose non-ad valorem assessments within the Port Marco Assessment Area in order to fund the construction of such wastewater collection improvements and wastewater treatment capacity improvements. The assessment for each improved parcel of property will be based on the total number of equivalent connection units or ERCs as of the date the assessment is imposed. A more specific description of the assessment program including a description of the Port Marco Assessment Area is included in the Initial Assessment Resolution adopted by the City Council on September 5, 2006. Copies of the Initial Assessment Resolution and the preliminary assessment roll are available for your review at the offices of the City Clerk at 50 Bald Eagle Drive, Marco Island, Florida. Information regarding the assessment for your specific property, including the number of ERCs, is attached to this letter.

The City intends to issue obligations to finance this and other assessment projects. This will permit the cost attributable to your property to be amortized over a period of twenty (20) years. However, you may choose to prepay these special assessments and avoid the additional financing cost. If the assessments are imposed, you will receive a separate notice of the date and place for payment.

If you do not choose to prepay your assessment, the amount necessary to pay your assessment in full will be increased by your share of the financing cost (financing costs, capitalized interest and reserve account). The City anticipates that financing cost will increase the prepayment amount by **[describe]**.

The annual assessment will include your share of the principal, interest, and amounts related to collection of the assessments. The maximum annual assessment is estimated to be \$16,552 per ERC for Wastewater Collection Improvements and \$5,587 per ERC for Wastewater Treatment Capacity Improvements. However, the actual annual assessment cannot be determined until the obligations are issued. The City intends to include annual assessments on your ad valorem tax bill with the first payment on the bill to be mailed in November 2007. Failure to pay your assessments will cause a tax certificate to be issued against the property which may result in a loss of title. As well, each assessment will be subject to mandatory prepayment of the balance due upon the transfer of title to your property.

The City Council will hold a public hearing at 6:00 PM on Monday, October 16, 2006, at Frank Mackle Community Park, 1361 Andalusia Terrace, Marco Island, Florida, for the purpose of receiving comments on the proposed improvement area and the assessments, including collection on the ad valorem tax bill. You are invited to attend and participate in the public hearing or to file written objections with the City Manager within 20 days of this notice.

If you decide to appeal any decision made by the City Council with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, if you need a special accommodation or an interpreter to participate in this proceeding, please contact the City Clerk at least forty-eight (48) hours prior to the date of the hearing.
